

Children at the Well

Teachers' Survey

Name _____

School / Religious Education Program.

The following pre and post program survey is one of the ways that we will be evaluating the effect of our project. It is designed to measure whether or not your participation in the project brings about an increase in your interfaith or storytelling experience, knowledge, interest and/or skills.

We hope that it will also help you to determine your personal goals for participation in the project.

Please rate yourself on the following on a scale of 1 to 10 (10 being the highest).

Your:

1. knowledge of religious traditions other than your own _____
2. personal experience with people of other traditions _____
3. comfort level in sharing stories with people of other traditions _____
4. use of storytelling as a teaching tool _____
5. knowledge and use of stories from other traditions _____
6. effectiveness in helping students get the most out of stories _____
7. efforts to encourage students to share _____
8. familiarity with interfaith story _____
9. assessment of yourself as a _____
10. knowledge of storytelling _____

Total _____
