

Children at the Well

Teacher Survey

Name _____

School / Religious Education Program.

The following pre and post program survey is one of the ways that we will be evaluating the effect of our project. It is designed to measure whether or not your participation in the project brings about an increase in your interfaith/storytelling experience, knowledge, interest and skills.

We hope that it will also help you to determine your personal goals for participation in the project.

Please rate yourself on the following on a scale of 1 to 10 (10 being the highest).

Your:

1. knowledge of religious traditions other than your own
2. personal experience with people of other traditions
3. comfort level in sharing stories with people of other traditions
4. use of storytelling as a teaching tool
5. knowledge and use of stories from other traditions
6. effectiveness in helping students get the most out of stories
7. efforts to encourage students to share stories
8. familiarity with interfaith story resources
9. assessment of yourself as a storyteller
10. knowledge of storytelling skills
